Washington and Jefferson college will not adopt the wrestling game, according to a statement issued by President Samuel Black. The rea-President Samuel Black. The reason for taking this attitude at present is not due to any aversion to the mat sport, but became necessary through the resnaping of study hour-for Black stated as his belief that Wind J students have as large a variety sport program at present as it is safe to carry, the predicted that the college would be able to adopt wrestling and boxing within the next three and boxing within the next three

One Schoenlein, we stling coach at Priceton, will not take a single step to make Hegal Strangler. Lewis now famous headlock, among the professionals, but he will fight to the bitter end to keep it out of amateur wrealling matches he amounted at

bitter and to keep it out of amateur wrestling matches, he announced at Prince.co. Schoeniem has wrestled in professional matches, and says the application of the headlock to the college sport would kill off its interesting features. He is preparing to wage warginst the hold in amateur circles and has already won the support of most of the college coaches.

William H. Geer, director of physical education at fixtward, says the boxing game was not banned by Crimson authorities, as reported, but instead the sport was recommended for intracoilegiate competition. Mr. Geer declares Harvard was treated unfairly by those colleges in the intercollegiate boxing association, which attempted to belittle Harvard's opinion of the glove game. There has never been a time when Harvard athietic officials mis understood or underestimated the value of boxing, according to the (ii). when Harvard athletic ordicals mis-understood or underestimated the val-ue of boxing according to the di-rector, but those officials did not care to adopt a sport so liable to result in njury to its participants.

English boxing authorities are much impressed with the action of the New York Boxing commission in making the limit on tickets for championship matches \$15. At the recent Herman-lows 21 to 15. The game was a bit-wide scrap in London, the maximum tariff for pasteboards was \$15. The ter contest.

CHINESE TONG MEN ESCAPE IN TRUNKS

SACRAMENTO. Cal.—Chinese tons men marked for death by gunmen of the ling Kong or Hep Sing tongs, following recent outbreaks in Los Angeles, San Francisco and Stockton, left Sacramento in trunke, it was seemingly indicated by the sale of an unusually large number of big wardrobe trunks by local dealers.

The buyers were NOT concerned with the interior decorations or fittings of the trunks they inspected. Their only inquiry was as to whether the trunk was big enough. If there was any doubt, the Chinese either squarted alongside the trunk or got inside to see if it was large enough to conceal a man. The buyers invariably refused to state their object in purchasing such large trunks. such large trunks.

GREAT LIQUOR HAUL,
GREAT FALLS, Mont.—One of the
greatest seizures of liquor ever made
in this vicinity of Montana was made
here by Sheriff Bob Gordon in a raid
on a business building. He and his
deputies took three truckloads of
whisky wine and brandy and a small
amount of champagns. Much of the
whisky taken in the raid was in barrels and is very fine oid stook, railling very fine old stock, raiding

Youths: Both in Farmington Jail

Ernest "Bad Eye" Dillard, colored, who was shot in the beel a week ago by the police officer, is recovering from the effects of his injuries, and will probably appear before the city court for arraignment on a burglary charge Monday morning, according to Captaintain Robert Burk.

Dillard has nearly recovered, although the bones in his foot which were shattered by the pistol bail, have not completely set.

MILLING MAN GOES TO COAST POSITION

G. C. Britting, of the Albers Brothers Milling company in Ogden, has been transferred to the Oakland plant of the company. Mr. Britting has been a resident of Ogden for the past five years and was connected with one of the largest milling companies in the east prior to coming to this city. He departed for the west on train No. 21 today.

Dandruffy Heads Become Hairless

McCall & Riley Co., Inc.

If you want plenty of thick, beautiful, glossy, silky hair, do by all meansget rid of dandruff, for it will starve your hair and ruin it if you don't

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dis-solve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching

and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid ar-von at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails. -- Advertisement.

Paying for the Home

Up to two years ago my money went to doctors and medicine for all went to doctors and medicine for my stomach trouble. I was constantly filled with gas and no medicine helped me permanently until tried a bottle of Mayr's Wonderful Remedy at that time with excellent results. Now I am using my money in paying for a home." It is a simple, harmless preparation that removes the catagrhal mucus from the intestinal tract and allays the inflammation which causes practically all siomach, liver and intestinal all-ments, including appendictis. One done will convince or money re-fused. McIntyrs Drug Co., and drug-gists elsewhere.—Advertisement.
